

2022 PRODUCT CATALOG

Since its inception in 2004, Inter-Continental Trading USA, Inc., has taken pride in delivering only the best quality, U.S. made tobacco products, cigarette tubes, rolling papers, pre-rolled cones and tubes and roll-your-own accessories. We attribute our company's continued growth over the past years to listening to and acting upon our ongoing consumer panel's ideas, customer suggestions and by providing unmatched service and a profitable buying experience, as well as by partnering with the best wholesale distributors in the country. Additionally, we extend our exemplary product support to consumers and distributors alike, consistently answering every inquiry and request. We invite you to partner with us in success, as we continue to reach our goal to become the best at what we do.

Inter-Continental Trading USA Inc., based in Mount Prospect, IL, is the manufacturer of **OHM** Pipe Tobacco, cigarette tubes and filtered cigars, **752** Pipe Tobacco and filtered cigars, **VIO** e-cigarettes and vape, **Kashmir** Rolling Papers, hemp wraps, pre-rolled tubes, pre-rolled cones and accessories, **Shargio** Cigarette Tubes and accessories, **Daughters & Ryan** Pipe Tobacco and **Roxwell** Pipe Tobacco and cigarettes tubes.

Rolling Papers

KASHMIR ORGANIC HEMP AND UNBLEACHED ROLLING PAPERS

Kashmir Rolling Papers have become the fastest growing line of American made papers with a simple notion: smoking enthusiasts want a natural, clean paper at a reasonable price. Kashmir delivers just that and more with the widest variety of paper styles and sizes for today's demanding consumer. Kashmir 100% Organic Hemp and Unbleached Rolling Papers are the natural, superior alternative to every day bargain papers offering the best of all worlds—unmatched value, a clean-tasting smoke, and natural processing for less impact on the environment.

KASHMIR SPECIALTY PAPERS

Kashmir Ultra Thin Rolling Papers takes our exceptional, natural unbleached paper to the next level, with a lighter weight and even less paper taste. Kashmir Bamboo Rolling Papers are a sustainable alternative for those in need of an all-natural biodegradable paper and feature a thin, lighter weight—yet strong and flexible—paper for a unique, satisfying smoke. Kashmir Green Apple Rolling Papers combine our unmatched Organic Hemp paper with a perfect blend of fresh, fruity apple flavor for refreshing tartness and easy rollability.

KASHMIR PAPERS + TIPS

Kashmir Rolling Papers + Tips combine our two most-popular paper styles and superb unbleached tips in one convenient pack. Kashmir Rolling Papers + Tips feature our finest 100% Organic Hemp and Unbleached paper styles and are available in 1-1/4 and King Slim sizes.

FILTER TIPS

Kashmir Unbleached Filter Tips are made from only select chlorine-free paper, roll up smoothly and keep their shape. Whether it is intended for better airflow, to block bits of loose herb, eliminate soggy ends, or ensure you don't burn your fingers, Kashmir Tips are the perfect way to enhance your smoking experience. Kashmir Filter Tips are available in pre-cut, perforated booklets or pre-rolled unbleached paper tips and slim natural paper filters.

PIPE TOBACCO

PIPE TOBACCO

OHM AU NATURALL'E PIPE TOBACCO

OHM has always been a leading brand when it comes to variety, taste and quality and now we've gone back to basics with OHM Au Naturall'e Pipe Tobacco. We've taken a step back. Back to OHM in it's simplest form—just water and tobacco. OHM Au Naturall'e is tobacco hand-crafted in small batches for superior taste, and sealed in a multi-layer, foil pouch for unmatched freshness. All three varieties—from full-bodied Red, to smooth Gold and crisp Menthol—are made from only the highest-quality Golden Virginia tobacco blends and available in 16oz and 6oz sizes. Fresh, simple, and unmistakably OH. Sometimes a big leap forward starts with one step back.

Additionally, ICT takes very seriously its federal, state, and local compliance obligations. You can rest assured that ICT is in full compliance with FDA's policy for deemed "new tobacco products." All OHM Au Naturall'e pipe tobacco blends are determined as fully Grandfathered Products and all bag sizes have either met or are still under review as Substantially Equivalent. In a nutshell, this means that you and your customers can buy with complete confidence!

PIPE TOBACCO

752 PIPE TOBACCO

752 Pipe Tobacco combines exceptional American-blend tobaccos at an affordable price and provides value-conscious smokers with a high-quality, low-cost alternative to generic varieties. The 752 16oz and 6oz line features 3 distinct flavors—Red, Gold, Silver and Green—while the 8oz size is available in your choice of Red, Gold & Green.

All 752 sizes are packaged in multi-layer foil resealable bags to preserve freshness and flavor.

Additionally, ICT takes very seriously its federal, state, and local compliance obligations. You can rest assured that ICT is in full compliance with FDA's policy for deemed "new tobacco products." All 752 pipe tobacco blends are determined as fully Grandfathered Products and all bag sizes have either met or are still under review as Substantially Equivalent. In a nutshell, this means that you and your customers can buy with complete confidence!
